2.5i All-Wheel Drive

SUPERIOR JAPANESE ENGINEERING FROM **\$23,995***

The new 2012 Subaru Legacy. It has excellent fuel efficiency that gives you over 1,000 km per tank. Not to mention top safety ratings and a symmetrically opposed SUBARU BOXER engine. And with nimble handling and dynamic styling, you'll add to the scenery wherever you go. Visit atlantic.subarudealer.ca or your nearest dealer.

Top Safety Pick: 2012 Subaru Lineup.*
Subaru is the only manufacturer with IIHS Top Safety Picks for all models, for the third year in a row.

ALG AWARD WINNER
Best Mainstream Brand*

JAPANESE ENGINEERED VEHICLES STANDARD WITH
SYMMETRICAL AWD

*Ratings of "Good" are the highest rating awarded for 40-mph frontal offset, 31-mph side-impact and 20-mph rear-impact crash tests conducted by the Insurance Institute for Highway Safety (IIHS) (www.iihs.org). A "Good" rating obtained in all three crash tests plus a "Good" rating in new roof strength testing and the availability of Electronic Stability Control (ESC) (Vehicle Dynamics Control) achieves a 2012 Top Safety Pick. *Based on ALG's 2012 Residual Value Award for Best Mainstream Brand. †It is possible to travel up to 1,094 km on one tank of fuel based on estimated fuel consumption figure rating posted by Natural Resources Canada of 6.4 L/100 km (highway) for a 2012 Subaru Legacy equipped with continuously variable automatic transmission and a 70 L fuel tank capacity. Actual fuel consumption will vary based on driving conditions, driver habits and vehicle load. *MSRP of \$23,995 on Legacy 2.5i (CA1 BP). \$0 security deposit, taxes and licensing extra. Leasing and financing programs available through Subaru Financial Services by TCCI. Other lease and finance rates and terms available; down payment or equivalent trade-in may be required. Vehicle shown solely for purposes of illustration, and may not be equipped exactly as shown. See your local Subaru dealer for complete program details.

can-am

can-am.brp.com

©2012 Bombardier Recreational Products Inc. (BRP). All rights reserved. ®, ™ and the BRP logo are trademarks of BRP or its affiliates. Offers valid in Canada only from February 1 to April 30, 2012. See an authorized BRP dealer for details. 3-Year Limited Warranty: Eligible units are all new and unused 2010 to 2012 Can-Am roadster models. The buyer of eligible units will receive the 24-month BRP Limited Warranty plus 12-month B.E.S.T. extended service contract subject to a \$50 deductible on each repair. The buyer of eligible units will also receive 36 months of FREE Roadside Assistance. See your participating BRP Can-Am dealer for all details and to receive a copy of the BRP Limited Warranty and B.E.S.T. contract. BRP reserves the right, at any time, to discontinue or change specifications, prices, designs, features, models or equipment without incurring any obligation. Some models depicted may include optional equipment. Always ride responsibly and safely. Always observe applicable local laws and regulations. Don't drink and drive. 610406

FINANCING OPTIONS: Financing shall be granted subject to credit approval by the participating financial institution. The APR shall mean the "annual percentage rate" and shall include the interest and fees charged by the financial institution, represented as an "annual interest rate." For example, a financing loan in the amount of \$10,000, with a 36 months term and amortizing, at a fixed annual percentage rate of 4.49%, not including administration fees, would result in the following credit charges:

INSTALLMENTS	NO. OF INSTALLMENTS PER YEAR	AMOUNT OF EACH INSTALLMENT	TOTAL INTEREST TO BE PAID	TOTAL PAYMENT OBLIGATION
Monthly	12	\$297.42	\$707.12	\$10,707.12
Weekly	52	\$68.53	\$690.68	\$10,690.68

*APR not applicable in Quebec.

P.R.O. Kids

Positive Recreation Opportunities for Kids

Healthy Children and Youth - Healthy Communities Working Together

Available to Residents of Kennebecasis Valley!

P.R.O. Kids is a phenomenal program which raises funds to allow children and youth who, due to financial limitations, would otherwise be unable to participate in registered art, culture, recreation and sport activities. This program allows more and more children to experience the many benefits of recreation, which include:

- Increased school performance;
- Development of personal skills such as teamwork, accepting adult authority, regulating anger, forming new friendships, and learning basic life skills;
- Reduced costs in the areas of social services, justice and policing;
- Generates a sense of value and pride in one's self and a sense of "belonging" in the community;
- Reduced costs to the health care system by preventing illness and promoting an active lifestyle;

For additional information or to request an application, please contact:

P.R.O. Kids Manager, Tammy Desaulnier

Phone: 642-PLAY/7529

e-mail: prokids@saintjohn.ca

Quispamsis Mayor's Message

The summer weather is finally upon us and it is time to enjoy the many wonderful activities the Town of Quispamsis has to offer.

Our summer programming will soon be in full swing. We offer free music and movies in the Arts and Culture Park, tennis at the qplex and beach volleyball at Meenan's Cove Park, along with many other activities.

Our young people have been enjoying the Ramps and Wheels Bike and Skate Park, which opened in the spring at 11 Landing Court, behind the Kennebecasis Public Library.

The WAVE Pool at the qplex opened for the season on June 2. More than 40,000 people made their way to the pool in 2011. It's a popular spot for a birthday celebration, which includes a pizza party from George Cousins Catering upstairs in the Moosehead Breweries Conference Centre. We hope to see you there this year.

Canada Day celebrations will once again be held at the qplex. The festivities run from noon to 5 p.m. on Sunday, July 1st. Please join us as we wish our wonderful country a Happy 145th Birthday!

I am also pleased to tell you that we are working to bring the Saint John Sea Dogs back to the qplex for another exhibition game later this summer. Who could forget last year's thrilling come-from-behind overtime victory over the P.E.I. Rocket? What a night it was!

On behalf of the Council and myself, I want to wish you a safe and happy summer with your family and friends.

Sincerely,

Murray Driscoll
Mayor, Town of Quispamsis

Rothesay Mayor's Message

With the arrival of spring and evening strolls, take a moment to enjoy the floral baskets being installed as part of the Hampton Road Beautification initiative. Or stop by the Town Hall (or the website www.rothesay.ca) and pick up a copy of the Rothesay Trail map brochure. The Rothesay Parks Department has been busy in other areas of the Town as well, preparing our natural and landscaped areas in anticipation of a well-deserved (and hopefully warm!) summer.

Canada Day celebrations will kick off at 1:00 p.m. on the Rothesay Common on Sunday, July 1st with a flag-raising and cake-cutting ceremony. Come out and celebrate Canada's birthday with Live Entertainment, Face Painting, New Giant Inflatables, Kids Games and a BBQ by the KV Volunteer Fire Department!

This summer, Rothesay is participating with other regional municipalities and UNBSJ in Sculpture Saint John, an international symposium of sculptors which will take place in August and September. Activity will take place on the Saint John Waterfront at the former Coast Guard property. Visit <http://www.sculpturesaintjohn.com/> for more details on the Symposium.

Come join us for the 14th Annual Concert in the Common Series. Beginning July 5th and continuing until August 30th, bring a chair or a blanket and a friend and settle in for some tunes from a variety of local performers. The concerts begin at 7:00 p.m. every Thursday on the Rothesay Common. This year will also see two special concerts at the Renforth Lighthouse on Wednesday, August 1 and Wednesday, August 15. Check www.rothesay.ca for more details.

Rothesay is pleased to host the 8th Annual Saint John Dragon Boat Festival on August 25th at Renforth Park. Come out and show your support for the Rothesay Team "Dragon Our Assets"!

The Recreation Department is also gearing up for another busy season. This year will see the return of the summer day camp program operating out of the Bill McGuire Memorial Centre, along with the ever popular playground programs at various sites throughout Town and the Learn to Swim program at Renforth Wharf and KPark Beaches.

I encourage you to be active and take part in the many events this summer in Rothesay.

William J. Bishop

- Campers are responsible to bring their own lunch, snacks, drinks, sunscreen and appropriate clothing (and footwear) for the beach and day

OUTDOOR ELEMENTS - *Your Adventure Starts Here*

Think about some of the adventures you've had over the years, chances are there are things that you have done or would like to do that include outdoor adventure.

There's nothing quite like the feeling of riding a bike, the wind blowing through your hair, the sun shining down, and taking time to stop and enjoy the beautiful sights along the way. When's the last time you had a new bike? Chances are, a shiny new bike, properly fit for your comfort would make that next bike ride much more enjoyable.

Do enjoy getting outside for some fresh air, out for a walk or hike along a favorite trail? What do you wear on your feet? If the ground is a bit wet on that early morning walk or hike, chances are your feet may be getting damp and cold. Have you heard of Gore-Tex or Vibram? Gore-Tex is a membrane added to footwear to help keep you dry on those damp outings. Vibram is a very grippy and durable rubber compound that a lot of soles are made of, ensuring that you don't slip or lose your footing while out hiking. A comfortable pair of hiking shoes may be just the thing you need to get out and enjoy the great out-

doors.

Lots of families enjoy camping over the summer months, what do you think would make that next camping trip even more enjoyable for you? If you're planning a backpacking trip, we have a selection of backpacks specifically fit for all, to make carrying that load a bit more comfortable. A new cozy sleeping bag may be just the ticket to get a good night sleep after a long day of hiking, or possibly a new air mattress to make the ground your sleeping on a bit softer. Roughing it for the weekend doesn't mean being uncomfortable, it should be a fun and memorable experience, make sure your next adventure is a memorable one.

Don't get caught in the rain, be sure you are outfitted with a nice bright, fashionable, rain jacket. You can stay dry and look great while on that next outing. Hyvent and Gore-Tex are terms you should watch for when looking for waterproof rain wear. These will guarantee you stay dry even if you don't get caught in the rain.

Why not get outside on an adventure and discover the hidden beauty of nature.

Rothesay Regional Police

The Rothesay Regional Police Force and the Rothesay Regional Joint Board of Police Commissioners are proud to be serving the Towns of Quispamsis and Rothesay. Since 1951, the officers of the RRPf have been dedicated to ensuring your neighborhoods remain safe and our citizens enjoy an outstanding quality of life. The members take great pride in contributing and giving back to the community, thus our motto, "Our Community, Our Commitment."

Upcoming Events:

- **Annual Bicycle Auction:** The bicycle auction will be held June 2nd at the Rothesay Regional Police station. Viewing begins at 10 am with the auction at 11 am. There is a large selection of bicycles and other items available for auction this year!
- **Bike Rodeo 2012:** The annual bicycle rodeo will be held on June 16th at the Rothesay Arena beginning at 9am-L You must be between the ages of 3-14 years. Many great prizes available to be won for both children and adults!
- **Community BBQ's:** Every Friday, starting June 22nd, the RRPf will host a BBQ in the front of the police station from 11 am-1 pm. Proceeds go to charities to be determined.
- **Belfast Kids Day:** The RRPf and KVFD co-host the Belfast Kids Day in the Kennebecasis Valley. We host children from Belfast, Ireland, as well as children from the local area. Entertainment and activities are provided for the children that are involved in the program.

If you wish to volunteer or are looking to assist in other ways, we have several programs that may interest you!

Crime Stoppers Tips: contact Sgt. Craig MacDougall at 847-6300 or 1-800-222-8477 (TIPS).

CAP (Community Advancement Program): is always accepting financial donations. This fund is used to assist families in our community, fund crime prevention programs, and promote educational programs such as drug awareness. Contact Cst. Krystal Daley for more information.

Police Auxiliary Program: contact Sgt. Peter Breen for more information.

Bicycle Safety Tips

As the warmer months are upon us, please remember to exercise proper bicycle safety.

- Wear a helmet at all times! Make sure your helmet is fastened and fits properly.
- Obey all traffic signs and signals.
- Learn your hand signals and use them when bicycling. Use your left arm to signal.
- Ride with the flow of traffic as near to the curb as possible.
- If you are travelling in a group, ride in single file.
- Don't leave your bicycle unattended without securing it properly.
- Be a courteous rider. Remember, pedestrians have the right of way.

Water Safety Tips

Warmer weather means trying to cool off! Be sure to exercise water safety during those hot summer days.

- Ensure that children are supervised when swimming. Whether it's using your home pool or swimming at a beach, adult supervision is the best protection.
- Clear all toys out of the water and away from the edge of the pool.
- Obey any "No Diving" or "No Swimming" signs. They are there for a reason!
- Dive in clear, unobstructed water. Check for hazards (rocks, tree branches, logs) before diving into the water. Enter the water feet first the first time to be sure the water is safe.
- Be careful when swimming in currents and know what to do if you get into trouble.
- Listen to the lifeguards on duty and obey the rules of the pool or beach.

Rothesay Regional Police

The Rothesay Regional Police Force and The Rothesay Regional Joint Board of Police Commissioners wish to thank the citizens of the Kennebecasis Valley who pro-actively assist the Police Force with crime prevention in our neighbourhoods, enhancing the quality of life in our community.

Quispamsis Parks and Facility Rentals

The town of Quispamsis offers a variety of facilities for rent including the qplex, Quispamsis Civic Centre and Meenan's Cove Beach House and Park. These venues are ideal for weddings, receptions, family reunions, picnics, fundraisers, workshops, meetings and family gatherings. Visit www.quispamsis.ca under About/Facilities for more information, call 849-5778 or drop by the Town Hall for rates and availability.

Hammond River Park - Enjoy the breathtaking view of the Hammond River Nature Park, over 40 acres of natural forested hillside sloping to an equal area of beautiful marshlands with over three miles of hiking trails, and a 50' long authentic Log Cabin, displaying ecology and the environment. The park trails are open year round (use at your own risk).

Meenan's Cove Park is our most frequently visited park, offering a variety of amenities. There is a public beach with lifeguards on duty for the summer months as well as a canteen, changing rooms, boat launch, ball field, and beach volleyball courts. The park also has a green area and playground for small children and a walking trail. If you are interested in outdoor picnics and barbeques, several shelters and pits are located throughout the park and are available to book. Meenan's Cove Beach House, located on the water, is available for bookings and has a large deck, kitchen facilities, washrooms and propane fireplace.

Homestar Off Leash Dog Park - Dog owners have a place for their dogs to shed some energy at the Homestar Off Leash Dog Park located at 222 Vincent Road across from the qplex entrance. Operated by the town of Quispamsis, it is a great place for your four-legged friend to run free (under their handler's supervision) to exercise, socialize and play. The park is approximately a half acre in size with a trail that loops around the perimeter, connecting to Matthew's Brook Trail via the Vincent Road pedestrian underpass. Please remember you are legally responsible for your dog and any injuries caused by your dog. Use of the park is at your own risk. The Off

Leash Dog Park is open dawn to dusk, unless otherwise posted or advertised.

Arts & Culture Park - Located in the heart of the community, the Quispamsis Arts & Culture Park is a popular gathering place, hosting many events and visual delights all year long. On a hot summers' night, the park is teeming with people enjoying weekly outdoor movies, or relaxing to the sweet melodies of the Music in the Park series. At its peak, the gardens will take your breath away. The park is a WiFi Free Spot so bring your laptop and enjoy a free wireless connection in a beautiful park setting. Challenge yourself to one or all three of our walking/running routes - 1 km, 2.5 km and 5 km loops beginning and ending at the park. A route map is conveniently located at the entrance and color-coded arrows and route markers are positioned throughout town streets to keep you on track.

Ritchie Lake Park is a small park located on Ritchie Lake, just off Pettingill Road. It contains an unsupervised beach, a short walking trail, and has both benches and picnic tables.

Ritchie Lake Beach, an unsupervised beach, is located in the centre of the Town and offers a picnic area, a beach ideal for children to wade, and a short walking trail along the bank of the lake. The public benches along the trail are a wonderful spot to stop watch the various wildlife, which inhabit the area.

Wheels and Ramps Park

Now Open! Skateboarders and BMX bikers can carve up the ramps at the Wheels & Ramps Park located at 11 Landing court, behind the Kennebecasis Valley Library near the Arts and Culture Park. The land has a natural slope that was built into the park's landscape, and a variety of ramps and pipes to keep any beginner or seasoned enthusiast active. There is no charge to use the park, which is open daily until 10 pm.

Come in and see our selection of Mobility, Bath Safety and other home care products.

The ERB Family of Companies

Erb Builders has been in business for 40 years because we set the customer satisfaction bar high. From an idea to completion of your project, we look after every stage of the process starting with a complete design program for your new additions or renovations. From there, we will generate accurate estimates of the cost. Our skilled tradesmen use only quality products resulting in a superb quality addition, renovation or home on time and on budget.

Erb Restoration: Our certified technicians specialize in providing complete fire and water restoration services for your home. When disaster strikes, call us. We have a climate controlled storage facility to store all of your belongings. Our state of the art technology includes a thermal image camera that shows where heat is escaping or where cold is entering your home. Mold removal is one of our specialties. Mold can be a health-hazard so, if you suspect you may have mold, call us. All of our work is guaranteed!

Cedar Hills Landscaping specializes in landscape construction. Our services include: Walkways, Retaining Walls, Patios, Drainage Systems, and Lawn and Plant Installation. Our Certified Arborists are qualified and experienced with handling tree trimming and tree removal. We will work with you from conception to design to completion to create outdoor living spaces that will flourish and maintain their beauty for years. Satisfaction guaranteed!

What's on this Summer – Quispamsis

Arts & Culture Park: Plans have been finalized for the 7th season of our summer series at the Arts & Culture Park. From June through August the Park will be hosting weekly music and movie series and other special events for your entertainment. Event parking available at: The Town Hall and new lower parking lot by Quispamsis Billiards --- We encourage residents to walk or bike to the Park.

Family Movies in the Park – Fridays at dusk beginning June 22
Music in the Park – Wednesdays 7:00-8:00 pm beginning July 4
Movies for Grown-Ups – Thursdays at dusk beginning July 12
Parked at the Park - Valley Cruisers – July 4
Church Services – various Sundays

Canada Day 2012: Celebrate Canada Day at the annual Family Fun Day at the qplex on Sunday, July 1 at our Disney Party! The Town of Quispamsis is thrilled to host new giant inflatables, a tasty barbeque, carnival games, pony rides, and afternoon entertainment by a variety of talented professionals. The fun will begin at 12 noon and end at 5:00 pm. If your group or organization is interested in hosting an activity area or event please contact 849-5788 by June 8.

qplex Pool Opens: Saturday, June 2 is an exciting day – the day the 97.3 The Wave swimming pool opens for the season. This is your opportunity to enjoy the leisure pool, junior Olympic pool, waterslides, vortex and other awesome features. While at the pool you can enjoy a tasty treat at the Q-Stop canteen. For more information about the pool please visit www.qplex.quispamsis.ca.

Beaches Open: Kick off the beach season on Saturday, June 23 at Meenan's Cove and Gondola Point beaches. Beach hours are 11am-6pm daily. The first Canadian "Surf Chair" is located at Meenan's Cove Beach where it provides beach access for persons with a disability.

Fall Community Expo: Do not miss this convenient one-stop shopping opportunity created for busy families. Drop by the Quispamsis Memorial Arena and visit the numerous display booths including sports, youth service groups, music, crafts, and more. This is the perfect time to register for the upcoming fall and winter activities in your community. We hope to see you from 6:30-8:30 pm on Wednesday, August 22 and Thursday, August 23. If your organization is interested in attending please contact 849-5788 before August 9.

For more information call 848-5900

Moosehead Breweries Conference Centre *A Stylish Venue For Special Celebrations*

The culinary delights of our onsite caterers - George Cousins Catering Services - will ensure that your wedding, party or dinner is a memorable event, one your guests will talk about for years to come. As second generation members of the Georgoudis family, owners of Vito's restaurants, the George Cousins have achieved a strong reputation in the food services industry throughout our region.

Our main dining area can accommodate 300 people for a sit-down dinner. The centre can also be divided into smaller rooms for a more intimate event. Our sliding glass doors open up into the lobby creating the perfect backdrop for mingling before dinner.

We will customize to suit your individual needs and desires.

Call us at 848-5903 for a tour of our facilities. We're sure you'll be impressed!

Improve Your Health at Aquafina Walking Track

The Aquafina Walking Track is open daily from 7 a.m. to 9 p.m. during the summer months.

The track is open to everyone, and there is no charge to use it.

Take a dip in The Wave Pool

Cool off on a hot day with a refreshing dip in The Wave Pool. With a 25-metre lap pool, vortex, two waterslides, mushrooms and matchstick spray features, the pool provides fun for all.

The pool is available for private bookings and birthday parties.

Open June 2.

Emmerson Pools and Spas

- Great selection, quality service and total customer care.

With the demand of pools steadily increasing in the late 70's, Emmerson was on a fast track and has become the largest pool retailer in Eastern Canada. More that 40 years after its creation, Emmerson Pools and Spas, now located on the Hampton Road in Rothesay, not only provides above-ground and in-ground pools, but also lines of spas, saunas, chemicals and accessories.

No job is too big or too small for the Emmerson Team. From small wadding pools to custom designed pools for the at home backyard resort, including commercial jobs as impressive as Fox Harb'r Golf Resort NS, which is an overflowing pool with gutter system and mineral pool, and the Summerside Wellness Centre PEI, a 25 meter pool and leisure pool including a 100 ft water slide, Emmerson Pools and Spas work along side architects and engineers to design and build larger public aquatic facilities.

Along with pools, spas have been in high demand in recent years. There are many lines available, including Cal Spas, Sunrise Spas and Coast Spas, which are top of-the-line products. Also the affordable 110 volt 'Plug and Play' spa made by EZ Spa and Durasport.

Emmerson's offers fantastic financing options, which make owning any product affordable. This coupled with the fact that the business offers very competitive pricing due to its membership and part ownership with Sima, one of the largest buying groups in Canada. This enables the company the ability to remain competitive with big box stores and offer unsurpassed service that these stores do not provide. Emmerson Pools and Spas services what they sell.

The family-owned company employs seasoned certified pool operators who offer spectacular service. Whether it is a computer water analysis, needing help trouble shooting a problem or having a staff member go to your home twice per week to clean and balance your pool, Emmerson's can help you out.

With over 40 years experience serving the community, the staff at Emmerson Pools and Spas is dependable and knowledgeable. Emmerson's is the perfect choice for all your pool, spa, and sauna needs! For more information on the various packages and price options, visit Emmerson Pools and Spas on the Hampton Road, or visit their website, www.emmersonpools.com.

Dental Assistants College of Saint John Inc

Our first forty-four week Level II Dental Assisting Program initiated fall 2008 and we are moving forward to our 5th year of operation providing hands on training with constant direction and supervised instruction. Our facilities include 3 Radiology rooms, Sterilization room, Classroom, Laboratory and 7 fully equipped Operatories with plans to expand in the near future.

The College employs three full time Certified Level II Dental Assistants as Instructors and a Program Administrator. Our courses are designed to build upon each other and integrate knowledge, starting from the very basic chairside skills to becoming proficient in all areas of dental assisting.

All competencies will include theory and practical component where applicable.

We are now accepting applications and conducting interviews for the August 2012 enrollment. Requirements include High School transcripts grade 12 or equivalent, Biology credits are preferred, Immunization Records including Hepatitis B Vaccine is mandatory and the ability to interact well with others.

As part of our program, students are required to participate in community services. This year our students are promoting dental health care by educating local Elementary School

Students in proper flossing and brushing.

In May, our College will be conducting a Patient Care clinic for the public, by appointment only. These procedures include examinations, radiographs, cleanings, fluoride, and pit and fissure sealants. This component of the program aides in the development of efficiency and professionalism, prior to entering the Dental Assisting Profession. Local Dentists will be participating in the supervision of our dental students. This training will enable the student to practice all skills learned during their program under direct supervision of a Dentist.

In the final month of the program, students are required to complete a four-week practicum, in a dental office approved by the college.

These components must be successfully completed in order for the students to be eligible to proceed with the final examinations to become Certified Level II Dental Assistants.

A Whole New Look With Tile & Grout Cleaning

Hamilton's Tile and Grout Restoration Division

Grout is porous and allows dirt and other contaminants to be trapped below the surface. Your tile isn't clean until the grout is clean. Dingy, dirty or stained grout is almost impossible to get clean using home methods. We have the equipment and know-how to restore your tile and grout surfaces to a beautiful appearance.

Tile & Grout Cleaning

As a homeowner you know that cleaning your tile and the grout area between can be challenging. The dirty, dingy or stained grout lines between the tile are very difficult to get clean on your own. Normal mopping of a floor leaves dirty detergent residue in the grout lines. Our extraction cleaning system incorporates cleaning agents, vacuum and a high pressure rinse to remove the dirt that homeowners can't.

if left unsealed, dirt, cooking oil, grease and detergent residue become embedded. Once it's embedded it requires professional cleaning to remove. After professional cleaning, we recommend an application of a Clear Grout Sealer which makes the grout lines easier to maintain between professional cleanings.

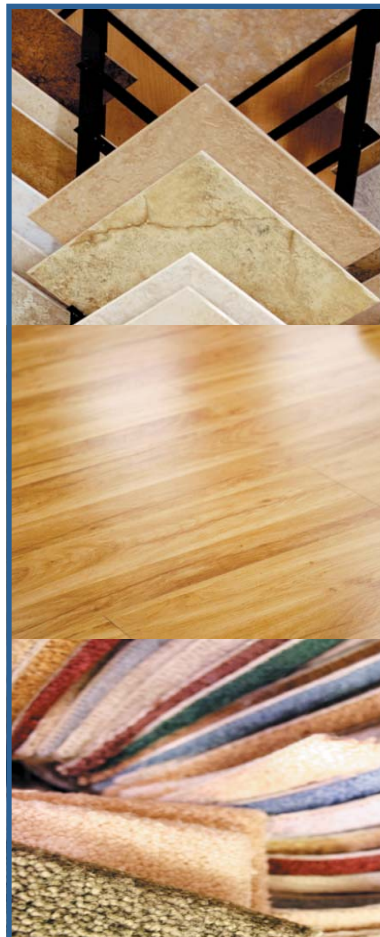

Clear Grout Sealing

When a tile floor is installed it's not common for a grout sealer to be applied. Grout is porous, and

without the costly expense of replacement.

Grout Re-coloring

When your grout has deeply embedded stains and dirt that won't come clean or perhaps you just want to change the decor in your home, Grout Re-coloring can renew the look of your tile and grout surfaces

"Kitchen Talk"

By Jim Lawrence

Designing kitchens for home designers.

As a professional designer, I get to design for all types of people. At Avondale, we most often get the call from a person that has had three to four designers in and the results just don't excite them. By this time they have bumped into someone who recommends them to call Avondale. Similarly, we just recently had a person post to Facebook, "I have a really tough kitchen to redesign, I need someone really good to help me". Nine replies came back, 7 recommended Avondale. The rest, as they say, is history. They now are enjoying their new Avondale kitchen.

We do get those calls that start with; we need a new kitchen and it has to be redone exactly the way it is because that is the only way it will work. Typically there are almost always improvements that can be made over the old layout. We just need to sit down with them for a bit and explore possibilities with them that they didn't know were even available.

And finally, we do a lot of work and designs for those people, be it home owners, decorators or architects who really do know their stuff and already have created a good layout and design.

This group of people then use Avondale to put that final professional touch on the project and to explore new ideas and make sure they have not missed any ideas that may be unique or new.

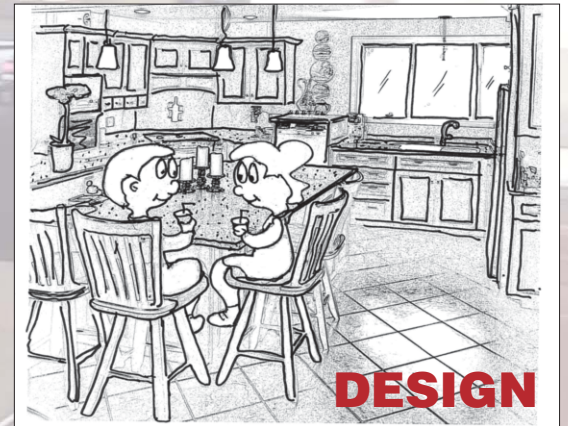

So no matter what type of home owner you are, if you are considering a new kitchen project, a little help from the pros can make all the difference.

Like Martha Stewart has always said:

" Now that's a good thing !"

NOW ACCEPTING NEW PATIENTS

Common Spring Lawn Issues

In the early part of the growing season, while the grass is just starting to grow and green up again for another year, many lawn issues are more noticeable than at other times of the year. Such things as moss, bare spots, and yellow grass splotches are irritatingly evident and many homeowners would prefer to deal with the issue now so they can enjoy a beautiful lawn all season long.

Moss: Moss is a common problem in lawn areas which experience excessive shade, but moss can occur just as easily in the middle of lawns also. Generally speaking, it enjoys the type of acidic, compacted, moist soil that grass has a difficult time sustaining itself in and therefore it starts taking over the area. Moss is not really a "weed" and therefore does not respond to traditional methods of weed control. However, since moss does not have much in the way of a root system, it is easily raked off the surface of the soil. In doing so, you will be left with bare soil spots that can be topdressed and seeded. Take care to choose a seed that enjoys shade or you will quickly run into the same difficulty of a non-flourishing grass that again gets taken over by moss! Approaches to avoid moss are to thin trees in the area causing shade, aerate the soil to reduce soil compaction, and lime the lawn annually to keep the pH of the soil more balanced.

Bare Spots: The reasons for the appearance of bare spots in lawns are many and varied, but there are a few common threads that could lead to this issue. One is old lawn damage from insect activity that might be many years old and if it was never reseeded, the old thatch has finally disappeared and left nothing but bare earth. Another reason could be that the bare spot(s) was once occupied by a dense weed or moss that suffocated the lawn in that area. Once the weed was killed off or removed, it left a blank spot where it once occupied space. The grass did not grow in that area, but it was not as noticeable because the foliage of the weed was green like the surrounding lawn. There may be other reasons that contribute to this phenomena of bare spots on lawns. However, it is rectifiable through either a topdressing and overseeding service or, in more extensive cases, a tilling and lawn renovation service. It is wise to consult a landscape professional to get their experienced opinion on your issue and how to fix it.

Yellow Spots: The reasons for yellowing grass are probably even more extensive than for bare spots on lawns. They can range from dog urine problems to winterkill damage to subsurface insect activity. Dog urine spots, in theory, can be controlled by training your dog to do his/her business in a specific area off the lawn if at all possible. However, as we all know, some dogs listen better than others! If you know

your dog has pee'd in a certain spot on your lawn, you can try to dilute the effects of the urea by watering it thoroughly. Some practices also include mixing some sugar in the water before watering. The yellowing effect comes about essentially because of a nitrogen burn. If the burn was not too severe, the grass in that spot might green up considerably instead of turning yellow. A blotchy yellowish area that is larger than a dog urine spot might be winterkill especially in a winter that saw a lot of snow and/or ice buildup. More than likely those winterkill areas will be seen in parts of the lawn that held the snow/ice the longest into the spring. Sliceseeding or overseeding may be needed to reintroduce grass in the damaged area. Finally, yellowish spots that have grown in size or number quickly or that other creatures have a great interest in as they pick at the sod could be an indication of insect activity. Grubs are becoming more prevalent each year and chew on the roots of the grass. They are most active in the Spring and Fall of the year and heavy populations should be controlled by a chemical control designed for subsurface insects. If yellow spots appear in the middle of summer in sunny, dry areas of your lawn, it is most likely chinch bug activity. Again, large populations should be controlled with a spray before the majority of your lawn is destroyed!

Most lawn issues can be kept to a minimum with a little bit of vigilance, a little bit of effort and a little bit of patience! If reseeding some problem spots on your lawn is in your future, the ideal time is from mid-August to mid-September. However, if you can't wait that long, then May is also a good time. Just remember to water, water, water. It is the key ingredient to a successful seeding effort!

CANADIAN TIRE JUMP START PROGRAM

The Canadian Tire Jump Start program is focused on helping young people to increase their physical activity levels. The Town of Quispamsis and Rothesay are pleased to be a member of the Greater Saint John Canadian Tire Jump Start Chapter and twice a year (May and September) will be allocating funds to assist children in need to register for sport or recreation programs.

The Town of Quispamsis and Rothesay need your help in assisting young people in our community who wish to participate in sport and recreational activities but who do not have the means to do so. The process is easy and will be done in the strictest of confidence. The referring school, community group, parent, etc should contact the person listed below. The Towns' representatives will then submit the information to the local Chapter at their semi-annual meetings.

The way we see it, the answer to "Can I play?" should always be "Yes."

Children in the Kennebecasis Valley
are invited to register for
the 2012 Summer Reading Club.

Heroes Abound @ your Library ®

This year's theme is SUPERHEROES and is intended
for children of all ages. Children who do not know
how to read yet can also participate by having a
parent or guardian read to them! Find out about all
the FREE fun and entertaining activities when you
register for the 2012 Summer Reading Club.

Registration starts on June 21st at the
Kennebecasis Public Library and continues
throughout the summer.

Visit us online at:

www.kvlibrary.org and check us out on
[facebook.com/kennebpl](https://www.facebook.com/kennebpl) or

SAINT JOHN EXHIBITION ASSOCIATION

Exhibition Park has been an integral part of the Saint John community for over 120 years. Once known as Moosepath Park, in 1950 it was acquired by the Exhibition Association of the City and County of Saint John, a non-profit organization established in 1889 to put on fall fairs and agriculture exhibitions for the residents of Saint John. Exhibition Park offers a variety of other year-round entertainment options, including twice weekly bingo every Tuesday and Sunday.

The tradition of harness racing remains at Exhibition Park. Effective March 1, 2009, the racing facilities were leased to Horse Racing New Brunswick Inc. which is now responsible for the harness racing operation. Live racing is held weekly during the spring to fall season and daily simulcast of live races from all over North America takes place in the Sulky Room.

An important function of the Exhibition Association over the years has been the presentation of the Saint John Exhibition during the last week of August each year. This annual fall fair showcases local art, crafts, horticulture and livestock exhibits, plus family entertainment and a midway. Many special groups and service organizations receive booth space free of charge during each year's exhibition, while more than 300 seniors and 120 nursing home residents are treated to a special afternoon tea and entertainment.

As a non-profit organization under the leadership of an unpaid all-volunteer Board of Directors, the association contributes to a number of non-profit organizations during the year and provides the premises to a number of fundraising events on a cost recovery basis.

The Board of Directors is excited about the current plans for a 107,000 sq. ft. multipurpose building which would include a 66,000 square foot indoor turf field. The Association is prepared to contribute \$3,000,000 plus the land and cover any operating deficits for this project and is seeking participation from all three levels of government.

FLYING HIGH AT THE 2012 EX, AUGUST 28-31

Again this year, there will be **NO GATE ADMISSION** at the Exhibition. Come and enjoy the exhibits, animals and acts and support the fair financially by enjoying the midway and the evening entertainment. Advance discount ride bracelets will again be available at all Deluxe French Fries locations.

A special theme of the 2012 fair is to commemorate the 100th anniversary of the first powered flight in New Brunswick. This flight occurred at the Saint John Exhibition in 1912. The Exhibition has partnered with the Saint John Airport and several airplane/flight related organizations to present a variety of activities for this year's fair including:

- a fly past by Vintage Wings (WW II) and an air show and open house at the Saint John Airport
- Draw for a trip for 2 to anywhere Air Canada flies in North America
- Powered /non powered airplane displays and demonstrations
- Flight Simulation NB displays and demonstrations
- Doug Shipee Hot Air Balloon
- Helicopter rides
- More displays and exhibits to be announced

Please refer to the Exhibition website at www.exhibitionparksj.com for up to date information or call the Exhibition office at 633-2020.

Valley Cruisers Car Club

Club meets the second Sunday of each month 7:30 p.m. at the Rothesay Fire Station. We are dedicated to the preservation and enjoyment of all classes of vehicles, from antiques to classics, racers and special interest vehicles. We are a non-profit organization that raises funds annually. One hundred percent of the funds raised go to various childrens charities thourhgout the area. We have donated an average of \$5,000 annually to such charities as the Empty Stocking Fund, The Atlantic Burn Camp for children, Juvenile Diabetes, I.W.K. hospital, Girl Guides, ChildFind NB, and many more.

The Bradley Lake Community Center

The Bradley Lake Community Center started out as the Bradley Lake Volunteer Fire Department building. After amalgamation in 1997 the building was used by the Rothesay Regional Fire Department as Station 3. On completion of their new Station 1 on Grove Ave, the building was returned to the province. Several of past Bradley Lake Volunteer Firefighters joined together and decided to try to keep the building in use for the people of our local area as it had as a Fire Department building. We have been upgrading and improving the building on a steady basis when we have funds raised to the project in mind. We are a non- profit, volunteer community center raising funds by hall rentals to the community. We use the hall for rentals of weddings, anniversaries, birthday parties, flea market, dances, training exercises, fund raising, etc. We need the support of the local population to maintain this center and are always looking for help with this work. We advertise in the local newspaper and word of mouth. Please contact us for more information at 847-8442. Contact Roly McFate.
